

## Across

1. A diverse range of protection from mishaps or setbacks that might occur on a cruise. Cruise Coverage can include, but is not limited to, trip delay, medical evacuation, and lost baggage benefits.
3. The length of time that a travel insurance plan will cover you for the duration of a trip.
11. The country you are visiting. If you are visiting multiple destinations, this would be the country in which you are spending the most time.
12. Specific conditions or treatments that do not fall under policy coverage.
13. Arrangements for any means necessary to transport insured to a medical facility or back home if necessary.
14. This is coverage for any accidental loss occurring during air travel.

## Down

2. Benefits that supplement delays or trip interruptions caused by severe weather such as hurricanes, monsoons, thunderstorms, cloudy with a chance of meatballs, etc.
4. The complimentary services that customers obtaining a travel insurance plan can take advantage of.
5. A problem that many travelers experience focuses on the loss of baggage or its redirection to another destination.
6. This is coverage for a rental car that damaged because of vandalism or collision.
7. A plan's services that include recommendations for restaurants as well as making reservations, purchasing event tickets, booking transportation, and more.
8. Coverage in the event that your trip is disrupted by an act of war.
9. The total non-refundable and pre-paid trip expenses no matter who booked the arrangements. This does not include anticipated or estimated costs that remain unpaid.
10. Missed connection coverage can give you peace of mind should something happen that causes you to miss a connecting flight while you are traveling.
